## **Communal-Era Afternoon Lunch Break Meal-\$15**

Before 1932, over 50 communal kitchens supplied three meals and two 'coffee breaks' each day to the hardworking colonist. The Amana Heritage Museum offers a glimpse into what an afternoon break meal consisted of and offers it to the public as a carryout meal during Amana's Dumpling Day. The Communal Kitchen Museum will be open to walk through during meal pick up time.
